

PROGRAMME OVERVIEW

The SEWF 2017 programme gives delegates the chance to personalise their experience, with six streams and multiple activities to choose from over the three days. The Core Programme is composed of four streams: Plenaries, Mini Plenaries, Participative Sessions and Workshops - further simplified as three types of experiences: **Listen, Discuss, Do.**

CORE PROGRAMME

LISTEN:

Plenaries

Main presentations for which all delegates get together.

Mini Plenaries

Main presentations with smaller groups of delegates.

DISCUSS:

Participative Sessions

Interactive sessions running concurrently. Spaces are limited to ensure participation from delegates.

DO:

Workshops

Practical sessions running concurrently. Spaces are limited to ensure applied learning.

OPTIONAL ACTIVITIES

Open Stream

The Open Stream runs for 3 days and includes:

- Dedicated networking area
- Spaces and support to do business (mentor bar, meeting rooms, hot desks, additional workshops, clinics)
- Regeneration space
- Opportunity for delegate-generated and delegate-run deep dive sessions, etc.

Transitional City Stream

The Transitional City Stream is about opening up the Forum to the city of Christchurch with a programme of tours and activities offered by the local community and local practitioners. This expansive programme runs for 8 days surrounding the Forum, in various locations around the city.
